GRAN QUIVIRA

Last Sunday, Mrs. Paine, daughter of J. F. Maples, came from Texas to take charge of one of the Gran Quivira new schools.

Everybody down to the youngest kids, is so busy harvesting beans, that the opening of our schools had to be put off till next Monday, the 13th.

L. Campbell has sold his place to M. Evans of Gallup. We understand that Mr. Campbell is leaving on account of urgent business in Texas, for a while, but expects to return and locate again at an early date.

W. S. Underwood's 3-year-old baby, who had been taken to Carizozo for an operation in an almost hopeless case of appendicitis, is now reported out of danger and is back home and on the road to recovery. Best wishes for the little one's health.

Having lived only two or three years in the Valley, some of our farmers are showing evident signs of prosperity. R. E. Yarbrough has bought a fine Dodge touring car; E. E. Smith and his brother-in-law, L. H. Steward, realizing the lack of speed and power to haul their fine bean crops to market in wagons, have purchased an Olds truck.

Yesterday, the colonization tide going west brought us two more settlers. J. W. Aleorn, a resident of Colorado for 31 years, took the moving fever, traveled through Kansas, Oklahoma, several parts of New Mexico, and having become an expert judge of countries, could find no land to suit him, but a half section in the south Gran Quivira settlement. The other half was taken by his fellow-traveler for the last few weeks, A. J. Mote.

COX OPPOSED WAR PROHIBITION

One prohibition utterance by Governor Cox that won him the friendship of the eastern "Wets," was this: The spectacle of changing our charter of Government when two million American patriots were in Europe fighting for the preservation of our Government itself, no man can justify. —Capper's Weekly.

COUNTRY MERCHANTS COMPLAIN THAT TH' AUTO IS HAULING TRADE AWAY FROM TH' COUNTRY STORE, FORGETTING THAT THE SAME CAR WILL BRING FOLKS TO TH' STORE IF THERE'S JUST INVITED THROUGH TH' COLUMNS OF TH' HOME PAPER. ADVERTISING 'N GASOLINE WILL RUN A CAR IN ANY DIRECTION! —WESS!

Bean Growers

IT WILL ONLY BE A SHORT TIME NOW UNTIL YOU WILL HAVE YOUR BEANS THRESHED AND READY FOR MARKET, OR STORAGE AS YOU MAY ELECT. WE WANT TO IMPRESS UPON YOU THE FACT THAT WE WILL GIVE **FREE STORAGE AND INSURANCE**, AS IN THE PAST, WHICH IS NO SMALL ITEM, AND ONE YOU CANNOT AFFORD TO OVERLOOK. We have increased our storage facilities at Mountainair and Estancia and will have ample room to care for your requirements. Also, we have several thousand good, second-hand sacks to loan to our customers, which is another factor that should appeal to you. We request the farmers to call for sacks, only a day or two before threshing, that will make it possible for us to supply a large number of farmers with our limited supply of sacks.
